Muhlenberg Foundation Golf Classic Raises Over \$200,000 for Diabetes Center

September 27, 2006 (Plainfield, NJ) – The 18th Annual Muhlenberg Foundation Golf Classic, held on September 11, at the Plainfield Country Club, raised over \$202,000 for the Diabetes Center of New Jersey, an affiliate of Solaris Health System.

Cynthia Shersick, Director of Resource Development for the Muhlenberg Foundation, stated, “Because of the outstanding support we received this year from committee members, administration and our generous donors, we were able to raise over \$200,000 on behalf of people in our community affected by diabetes.”

For the seventh year, professional golf instructor Robert Baker, held group and individual clinics on the driving range for sponsors and guests. This year, Baker presented golfers with an individual DVD of their lesson, which was definitely a special gift from the instructor of “Logical Golf,” who has taught five number one world champions.

Guests were treated to a special show by Trick Shot Artist, Ben Witter, who awed the crowd with his long drives and trick shots while balancing on top of a yoga ball. The action-packed show was followed by dinner, an awards ceremony and auction, where a twosome to play in the Lexus Champions for Charity National Championship in Pebble Beach, CA was auctioned off for \$9,250.

The Muhlenberg Foundation is solely dedicated to advancing the mission of Muhlenberg Regional Medical Center – a true beacon of excellence that has been improving the health and well-being of area families since 1877. Serving Union, Middlesex and Somerset Counties, Muhlenberg is a 355-bed, university-affiliated, teaching medical center that records nearly 10,000 admissions, more than 34,000 Emergency Department visits and over 1,000 births annually.
