Muhlenberg School of Nursing Receives LEARN Scholarship

September 5, 2006 (Plainfield, NJ) – Muhlenberg Regional Medical Center’s Harold B. & Dorothy A. Snyder Schools of Nursing, Medical Imaging and Therapeutic Sciences received a generous scholarship from the League for Educational Advancement for Nurses (LEARN). The scholarship, awarded to two students currently enrolled in the School of Nursing, benefits the students as they continue to study in their chosen career of nursing.

“I hope the recipients will continue to learn and grow in nursing – our future is in need of nurses,” says Caroline Perkins of Scotch Plains, Founder of LEARN.

Judith Mathews, Dean of the Harold B. & Dorothy A. Snyder Schools, explains, “Nursing is critical in the treatment of illness and restoration of health. Organizations like the LEARN Association make it possible for students to achieve their goal in health care.”

Organized in the spring of 1974, LEARN encourages and provides opportunities for nurses to exchange information, develop nursing skills and associate with colleagues. Furthermore, LEARN creates awareness of current nursing trends and provides an atmosphere of “LEARNing.”

Helen S. Dobbins of Westfield, President of LEARN, adds, “I hope the students will love nursing as I do.”

Muhlenberg Regional Medical Center is a 396-bed, university-affiliated, teaching medical center that provides quality health services to Union, Somerset and Middlesex counties. As a member of the Solaris Health System, the medical center offers specialty care that includes an adult care program, an anorectal physiology lab, a regional dialysis unit, a home care and hospice program, a cardiac care unit, an osteoporosis center, a steps recovery center and a subacute care unit. Comprehensive emergency services are provided around the clock.
