Diabetes Center of New Jersey Holds Community Expo
Diabetes Center Partners with the American Diabetes Association

Edison, NJ – The Diabetes Center of New Jersey, an affiliate of Solaris Health System, will host a Diabetes Community Expo on Sunday, October 22 from 9 a.m. to 2 p.m. at Roosevelt Park in Edison.

“Every 21 seconds, someone is diagnosed with diabetes,” says Grace Swal, Director of the Diabetes Center. “It is important to learn means of prevention and courses of treatment.”

To spread awareness and educate the public, an informational tent with exhibitors demonstrating various blood sugar testing meters, inhalable insulin, and insulin pumps. Additionally, the Diabetes Center will be coordinating and providing various services including diabetes information, nutrition counseling, body mass index screening, and a glucose monitoring station for pre/post walking.

Organized with the American Diabetes Association, a Diabetes Walk will also take place with teams of workers, families, and friends. To form your own team, go online at diabetes.org/walk or 1-888-DIABETES. This will be a three mile walk with check-in at 9a.m. The walk begins at 10a.m.

The Diabetes Center of New Jersey is a comprehensive treatment program serving the greater Central New Jersey area. The Center focuses on diabetes education, wellness and lifestyle enhancement to improve the quality of life for individuals – and families – living with the illness. For more information or to make an appointment for counseling, education or screening services, call the Diabetes Center of New Jersey at 1-800-991-6668.

Solaris Health System encompasses a wide array of organizations, services and facilities in the Central New Jersey area. The system was created through the consolidation of JFK Medical Center and Muhlenberg Regional Medical Center in 1997. The system includes acute care hospitals, inpatient and outpatient rehabilitation centers, nursing and convalescent facilities and specialized treatment programs.
